

Architects
Registration Board
of Victoria

The Architects Registration Board of Victoria is seeking submissions from architects for entry into the Architectural Services Award.

To be eligible for entry the architect (or company/partnership) must be registered in Victoria and have at least one nominating client for a project completed in Victoria within the last two years.

ARBV Members in office, the judging panel and their families are not eligible for this award.

Please identify clients to whom you feel you have provided excellent service, and who will agree to support your nomination.

Architects are advised to check with their clients before forwarding their submission to the ARBV.

On receipt of client contact details, the ARBV will contact the client/s, explain the award process and supply them with an evaluation form.

Shortlisted architects will be asked to provide project documentation. Finalists and their clients will be interviewed by a judging panel of Board members.

Forms must be received by the 20th of August 2018.

Please email completed entry form to:

registrar@arbv.vic.gov.au

Please phone the ARBV office with any queries on:

03 9417 4444
